

ADJUSTABLE LOUVRE KITS

ALUMINIUM NEVER LOOKED SO GOOD!

PREMIUM QUALITY

Made from the highest quality materials available and fully complies with Australian and International Standards for quality.

STYLISH

Combining the warmth and style of timber with the architectural benefits of aluminium. Available in an extensive range of colours and timber look finishes.

MAINTENANCE FREE

No sanding, painting, staining or oiling required ever! Products are made from lightweight aluminium and are quick & easy to install.

DURABLE

Unlike timber, aluminium is resistant to termite attack and it will never warp or rot.
