

## ADJUSTABLE LOUVRE

### ALUMINIUM NEVER LOOKED SO GOOD!

#### PREMIUM QUALITY

Made from the highest quality materials available and fully complies with Australian and International Standards for quality.

#### STYLISH

Combining the warmth and style of timber with the architectural benefits of aluminium. Available in an extensive range of colours and timber look finishes.

#### MAINTENANCE FREE

No sanding, painting, staining or oiling required ever! Products are made from lightweight aluminium and are quick & easy to install.

#### DURABLE

Unlike timber, aluminium is resistant to termite attack and it will never warp or rot.

# ENDLESS POSSIBILITIES

We believe that you will be delightfully surprised to see some of our latest innovations in both concept & design and invite you to call for an appointment to show you the full range.
